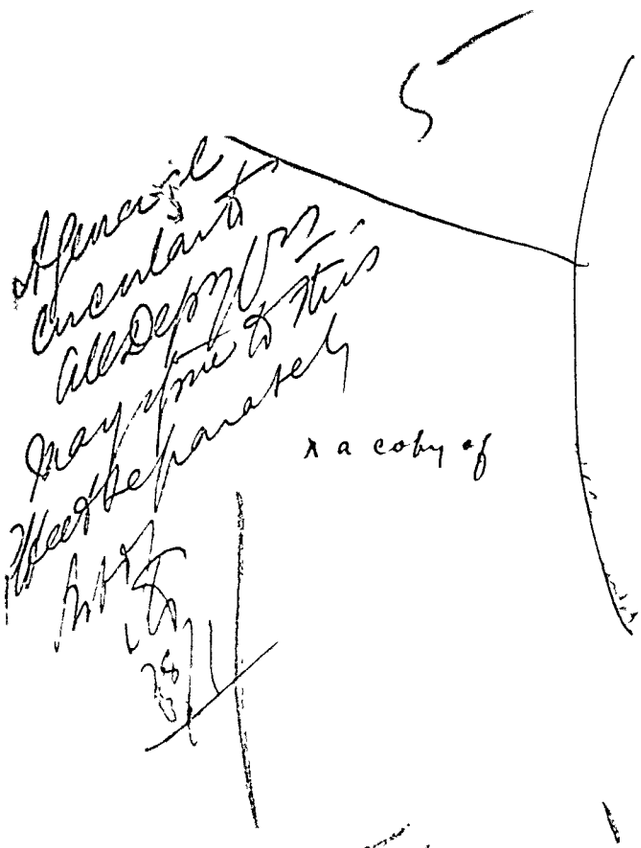
the Presidents of the various Municipalities and Local Fund Circles were requested to report whether rewards were paid to ~~seizers~~ seizers of cattle brought to pounds and if so, from what funds, under what circumstances and under what authority such charges were incurred. The papers read above are in reply. They shew that, the practice of paying rewards to seizers of cattle does not obtain anywhere in the Province except in the Municipality of the Bangalore City, where, under the authority of the Board's resolution dated 24th December 1885 ~~issued during the cattle pound rules in force in the Cantonment Bye laws regarding the cattle pounds rules~~, double the rates of fines prescribed in sec 12 of the Cattle Trespass

Trespass Act are levied on cattle seized and impounded during nights between the hours of 8 P.M and 4 A.M and a moiety of such fines is paid to the seizers of cattle as reward, the other moiety being credited to municipal funds

2 Government observe that sec 12 of the Cattle Trespact X of 1871 ~~now in force~~ prescribes the scale of fines leviable on impounded cattle ~~without~~ empowering ~~essess~~ local governments ~~to~~ to enhance under any ~~circumstances~~ circumstances the ~~prescribed~~ rates; and ~~that~~ the new ~~Regulation~~ Regulation VIII of 1892, (~~which has been~~ recently passed but ~~recently and published in the~~ Mysore Gazette of 19 January 1893 and ~~is~~ comes into force from 1st June 1893) retains the existing scale of fines but allows discretionary powers to the Government of Mysore to direct, by notification in the official Gazette, the levy of such fines not exceeding double the prescribed rates in any specified area or

representation made by
District Magistrate or by
local authority; but that section of
the Acts authorizes the payment
of rewards to seizers of cattle.
The practice obtaining in the
Bangalore City Municipality, based
on the Board rules prescribed
in the preceding paragraph,
also are not sanctioned by Government,
is manifestly illegal and should
at once be discontinued. The
fees authorized by law alone
should be collected and the payment
of rewards to seizers of cattle
discontinued in the future.

3 If the Municipal Board
consider that enhanced rates
authorized by the proviso of
sec 12 of the Regulation VIII of 1892
should be introduced into the
City Municipality, a special
report should be submitted fully
setting forth fully the grounds therefor
justifying the levy of such high rates



4 The President of the Bangalore City Municipality is requested to peruse the Cattle pound rules with reference to the new Regulation VIII of 1892 and to submit the same to Government previous to their being adopted by the Board.

I am not myself clear - But D.G.O.s are conscient to give rules and rates under the Act and probably they have in practice the rules and rates adopted different rules rates for different heads of their respective Districts (My impression is that this is the case) - + D.G.O.s may be asked to submit a copy of the rules & rates in force with a note of the alterations they would make under the new Act - + Also the + Now that we are moving in the matter please refer to the Resolution of the Board

No. 13279-89—L. F. 139-92, DATED, BANGALORE, 4TH FEBRUARY 1893.

ORDER THEREON.—In their Proceedings dated 31st August 1892, No. 3264½-73½—L. F. 139-92, the Presidents of the various Municipalities and Local Fund Circles were requested to report whether rewards were paid to seizers of cattle brought to pounds and, if so, from what funds, under what circumstances and under what authority such charges were incurred. The papers read above are in reply. They show that, except in the Municipality of Bangalore City, the practice of paying rewards to seizers of cattle does not obtain anywhere in the Province. In the Bangalore City Municipality, double the rates of fines prescribed in Section 12 of the Cattle Trespass Act are levied on cattle seized and impounded during nights between the hours of 8. P. M. and 4. A. M. and a moiety of such fines is paid to the seizers of cattle as reward, the other moiety being credited to Municipal funds.

2. Government observe that Section 12 of the Cattle Trespass Act, X of 1871, prescribes the scale of fines leviable on impounded cattle and the proviso to that section, introduced in Regulation VIII of 1892 recently passed, which comes into force from 1st June 1893, retains the existing scale of fines but allows discretionary powers to the Government of Mysore to direct, by Notification in the Official Gazette, the levy of such fines not exceeding double the prescribed rates in any specified area, on the representation made by a District Magistrate or by a local authority; but neither the Act of 1871 nor the Regulation of 1892 authorizes the payment of rewards to seizers of cattle. Therefore, the practice obtaining in the Bangalore City Municipality, based on the Board's resolution, dated 21st December 1885, is manifestly illegal. The fines authorized by law alone should be collected and the payment of rewards to seizers of cattle discontinued in the future.

3. If the Municipal Board consider that enhanced rates authorized by the proviso to Section 12 of Regulation VIII of 1892 should be introduced into the City Municipality, a special application should be made setting forth the grounds fully.
